

# Continuous Power System

## Features

- The CPS provides a complete power system for any application from retail/refrigerated case displays to commercial interiors
- The CPS does not require an electrician for installation and can be removed or relocated by store or building staff
- An anodized finish provides a high end look and blends with any environment, while simple snap mounting clips allow the system to be attached directly to the wall

## Product Details

Housing Finish	Clear Anodized Aluminum or Black
Dimensions	1"W × 0.9"H
Wattage	100W Max
Voltage	24V DC
Current	5 Amp Max

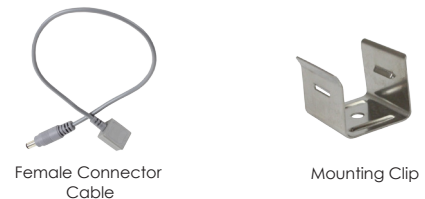

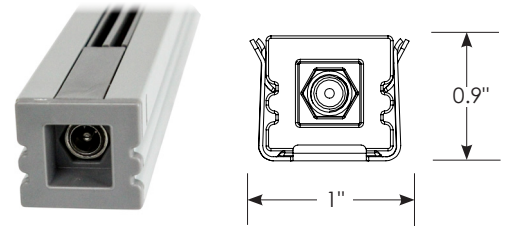

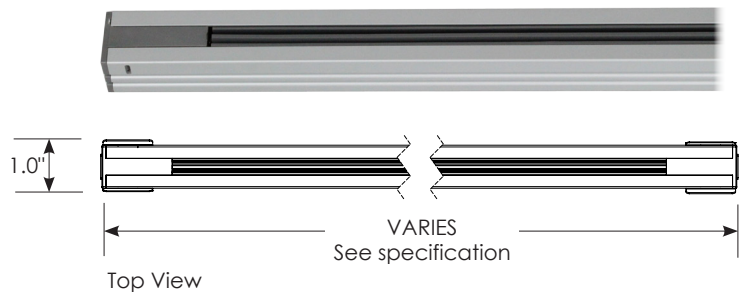

Accessory Specification			
Description	Compel Compatible Part #	Male Connector Part #	Female Connector Part #
6" Connector Cable	210-00101-6	N/A	N/A
9" Connector Cable	210-00101-9	N/A	N/A
12" Connector Cable	210-00101-12	210-00103-12	210-00102-12
15" Connector Cable	210-00101-15	N/A	N/A
18" Connector Cable	210-00101-18	N/A	N/A
21" Connector Cable	210-00101-21	N/A	N/A
24" Connector Cable	210-00101-24	N/A	N/A
27" Connector Cable	210-00101-27	N/A	N/A
48" Connector Cable	N/A	210-00103-48	210-00102-48
Mounting Clip & Screw	810-00055		
60W - Hardwire Power Supply	690010.035		
100W - Hardwire Power Supply	690010.031		
100W - Plug In Power Supply	690010.031P		

## Specification Guide

Sample Part #: 69070.45

Base Part .....  
Length .....

CPS Specification		
Base Part #	CPS Length	Color
69070	45 - 45.7 in 48 - 48.7 in 61 - 61.7 in 70 - 70.5 in 75 - 75.7 in 78 - 78.7 in 88 - 88.5 in 90 - 90.3 in 94 - 94 in	002 - Black *Leave blank for clear anodize
